

Dear friends,

#JingleBeans is a pop-up event hosted by local parents in partnership with local nonprofits. We will meet at a set location where you can purchase food or drinks. We will tour local lights, play Christmas stories, and will offer kids crafts at the meet-up location. Reserve a seat for \$15 per person, and you will have the option to make additional donations to support Compeer, Making a Difference, or SARCC.

We are seeking support from our community to cover the costs of gas, craft supplies, and snacks for the event. All proceeds will benefit the local nonprofits mentioned above. This is a safe, fun, holiday event that focuses on supporting local businesses and organizations.

During a time of year when big businesses and box stores often win the day, this is a pop-up way to enjoy a memorable family experience and support local organizations doing great work to support friendships, offer free community events, and support services for child abuse survivors.

Your donation, of any amount, will offset the costs. Please consider donating or sharing a gift card for your business.
