LOW-BARRIER SUPPORTIVE HOUSING

Dear Friends of SARCC,

Survivors of sexual assault in Schuylkill and Lebanon Counties face housing barriers for many reasons— the housing shortage, poverty, a lack of access to mental health and social services, and, often, circumstances unique to their victimization. This year, SARCC met these barriers head-on with housing solution, but we need your help. For the first time, we invested in residential housing properties. Since then, **we've provided 1,100 nights of safe housing for child and adult survivors and families.** Our available housing will double in 2025.

The Healing at Home project offers permanent, supportive housing solutions through subsidized rental assistance and case management services for sexual violence & human trafficking survivors, as well as populations at high risk for violence. **Survivors of sexual assault, child sexual abuse, and human trafficking need your support now more than ever.** Your gift stays in OUR community, serving our neighbors as they navigate healing from a safe home base.

Warmly,
Ali Perrotto, SARCC CEO

Healing at Home

A PROJECT ROOTED IN OUR MISSION & VALUES

Clarissa's House - Prevention

SARCC dedicated its first home to our **PREVENTION** value, and named the home after our long-time Preventionist, Clarissa Geary. Every student in Schuylkill County schools has met Miss Clarissa, and knows that each child has a right to be safe from sexual abuse. We seek to prevent sexual violence before it is perpetrated for a safer community.

Micah's House - Advocacy

Our second home was made possible through the dedication of our long-time board member & Director of the Tamaqua Area Community Partnership, Micah Gursky. We dedicate this house to our **ADVOCACY** value, recognizing that it takes great courage for survivors and communities to use their voices to seek justice and healing.

Long Term Vision:

*By the end of this project, we will have five permanent supported housing options. Each will be named after a SARCC Core Value. **We need your help!** Can you help us find and secure properties, and suggest naming honors for our next three homes:*

Compassion House: At SARCC, we care deeply for those who hurt and those who seek to understand the hurt. COMPASSION House will embody unending kindness and empathy in our community.

Safety House: SARCC's SAFETY value guides us as we help people find safe space for healing, whether at SARCC or in their homes, schools. or communities.

Social Transformation House: People who perpetrate sexual violence do not discriminate. SOCIAL TRANSFORMATION House will help make our systems, neighborhoods, and communities safer for all people.
