

The Clothesline Project

SEXUAL ABUSE | ASSAULT | TRAFFICKING | HARASSMENT

April is Sexual Assault Awareness Month! The Clothesline Project was founded in 1990 to bring awareness to violence committed against women. Since then, the project has expanded to honor all survivors of violence.

Each year, survivors are encouraged to make shirts that express their experience. Throughout April, The Clothesline Project will be displayed throughout our community. If you or a loved one has experienced sexual violence, SARCC offers free and confidential support and resources.
